Description

Easter Trip to Torgau

Torgau is a major district town with around 20,000 inhabitants in the Free State of Saxony and the administrative seat of the district of Nordsachsen. Real brown bears live in the bear enclosure in front of the historic walls of Torgau Castle – a tradition with a long history. The first bear catch was mentioned as early as 1425.

Further information coming soon.

Location

- click here for the departure station

Included

- Trip to Torgau

Timetable and fares for the special trip

The trip is still being planned.
