Description

“Freed from ice are river and brooks…”, says Goethe in his Easter Walk. In this spirit, Schauplatz Eisenbahn invites you on an Easter walk through Europe's largest railway museum. Schauplatz Eisenbahn is hoping for the best Easter weather over the Easter weekend.

As the largest and one of the most important railway museums in Germany, there is certainly enough room for this on its 260,000 m².

Young visitors are invited to ride the field railway or to search for the Easter Bunny in the craft station.

The catering team will have refreshments and snacks ready for you.
